

PALM CHARTERS GROUP

ARABIAN SEA SHUTTLE SERVICES AT ARABIAN SEA

Our supply vessel M/V Aquatic Pioneer offers shuttle services at Arabian Sea (all round trip between our platforms) this service is to provide all our clients the possibility of relocating their assets, always guaranteeing availability at all stations strategically located for their operations across the HRA.

We will provide this service twice a month or as per our client's request.

This service guarantees the good performance of the business and services all the time, providing bunkers and suppliers to other support vessels and Palm Charters itself.
