## RED SEA SHUTTLE SERVICES AT RED SEA

Our supply vessel MV STERLING PALM offers shuttle services at Red Sea (via Suez port) for passengers and resupply operations.

MV STERLING PALM can resupply at sea along with numerous supply and bunker providers to support Palm Charters' own vessels and Logistics platforms.

This service guarantees the good performance of the business and services all the time, providing bunkers and supplies to other support vessels and Palm Charters itself.

### BOOKINGS

Bookings for the Shuttle service should be forwarded to [redsea.shuttle@palmcharters.es](mailto:redsea.shuttle@palmcharters.es) or [info@palmcharters.es](mailto:info@palmcharters.es) at least 72 hours before the scheduled departure of the shuttle boat from 17N.

### SERVICES

All-inclusive service including transportation from Cairo airport to Red Sea (17N) or vice versa (including visa, inward/outward clearance, meet and greet & land transportation)
